MuniFin (Municipality Finance Plc) is one of Finland's largest credit institutions. The owners of the company include Finnish municipalities, the public sector pension fund Keva and the State of Finland. The Group's balance sheet is over EUR 57 billion.

MuniFin's customers include municipalities, joint municipal authorities, wellbeing services counties, joint county authorities, corporate entities under the control of the above-mentioned organisations, and affordable social housing. Lending is used for environmentally and socially responsible investment targets such as public transportation, sustainable buildings, hospitals and healthcare centres, schools and day care centres, and homes for people with special needs.

MuniFin's customers are domestic, but the company operates in a completely global business environment. The company is an active Finnish bond issuer in international capital markets and the first Finnish green and social bond issuer. The funding is exclusively guaranteed by the Municipal Guarantee Board.
