

## Reka Industrial Plc revises its guidance for 2021

3.8.2021 13:00:00 EEST | Reka Industrial Oyj | Inside information

The new guidance is: "In 2021 EBITDA (EUR million) is expected to improve, provided that predominant conditions due COVID-19 pandemic will not substantially affect to the company's capability to deliver. EBITDA will also be affected to what extent and how quickly we are able to pass on the continuous increase in material costs to sales prices as well as metal price fluctuations."

The earlier guidance was: "In 2021 EBITDA (EUR million) is expected to remain at the same level or improve, provided that predominant conditions due COVID-19 pandemic will not substantially affect to the company's capability to deliver."

Reka Industrial Plc will publish its Half Year Financial Report for January-June 2021 on Thursday 5 August 2021.
