EV fast charging solutions provider Kempower will deliver DC fast charging technology to MINUSINES S.A. for several electric bus depots in Luxembourg. The value of the order is over EUR 2.5 million. The delivery includes Kempower C- and S-Series DC fast charging solutions and Kempower ChargeEye backend and cloud solutions. The bus depots will be commissioned in 2022.

Kempower's official partner in Luxembourg, MINUSINES S.A., is a leading distributor of electrical equipment and professional lighting in Luxembourg. The bus depots are installed by MINUSINES installation partner SOCOM S.A.

Tomi Ristimäki, CEO, Kempower said: "We are happy to cooperate with our partner MINUSINES in this significant project, and to contribute to the development of cleaner public transportation in Luxembourg, one of the three official EU capitals. The Luxembourg bus depot projects represent an important step in Kempower's strategy to expand into the Western European electric bus fast charging market."
