Kempower has received a new order from Power Dot for Portugal, Spain, France and Poland

Kempower has confirmed a new order to deliver EV fast-charging systems to Power Dot, an EV charging operator based in Portugal. The delivery of the fast-charging systems for electric passenger cars will take place in 2022 and in the first quarter of the year 2023. The value of the order is approximately EUR 9 million. The EV charging systems will be deployed in France, Spain, Poland and Portugal.

Earlier this year on 11 February 2022, Kempower announced a EUR 3 million order for Power Dot.
