Invitation to Kempower's webcast on Financial Statements 2022

Kempower Oyj, Investor news, 8.2.2022 at 2.30 pm

Kempower will publish its Financial Statements for 2022 on Wednesday, February 15, 2023, around 9.30 am Finnish time (EET).

Webcast for shareholders, analysts and media will take place on Wednesday, February 15, 2023, starting at 1.00 pm. In the webcast, Kempower's President and CEO Tomi Ristimäki, CFO Jukka Kainulainen, CMO Jussi Vanhanen and COO Sanna Otava will present the results and current topics. The event, including the Q&A session, will be held in English. However, participants can ask questions in English and Finnish via the event chat room. Participants will be able to access the event as unregistered users on the webcast platform at <https://kempower.worksup.com/>

Presentation material and webcast recording will be available later on the company's website at investors.kempower.com.

About Kempower:

Kempower designs and manufactures DC fast charging solutions for electric vehicles and machines. We're a team of electric vehicle enthusiasts with a deep understanding of the charging market and a hands-on mentality. Our product development and production are based in Finland, with a majority of our materials and components sourced locally. We focus on all areas of transportation, from personal cars and commercial vehicles to mining equipment, boats and motorsports. With Kemppi Group's 70 years' experience in perfecting DC power supplies, we set the bar high in engineering and user-experience design. Kempower is listed in the Nasdaq First North Growth Market Finland. www.kempower.com
