Kempower has appointed **Hanne Peltola** as Vice President, People and Culture and member of the Extended Management Team. She will start in the position in June 2023.

Hanne Peltola joins Kempower from Valmet, where she has been Vice President, Human Resources of the Flow Control Business Line. Prior to Valmet, Peltola has held global HR leadership positions at Neles, Metso, Paroc, Outotec and Larox.

"Culture and people are key to Kempower's growth. Rapid international expansion is happening primarily through people: we have recruited a lot of talent in a short period of time and continue to recruit at a rapid pace. Each new Kempowerian brings with her or him a contribution to the company's culture. With Hanne, Kempower gains strong skills and experience in developing people in an international environment," says **Tommi Ristimäki**, CEO of Kempower.
