About Kempower:

We design and manufacture reliable and user-friendly DC fast charging solutions for electric vehicles. Our vision is to create the world's most desired EV charging solutions for everyone, everywhere. Our product development and production are based in Finland, with a majority of our materials and components sourced locally. We focus on all areas of e-mobility, from electric cars, trucks, and buses to machines and marine. Our modular and scalable charging system and world-class software are designed by EV drivers for EV drivers, enabling the best user experience for our customers around the world. Kempower is listed in the Nasdaq First North Growth Market Finland. www.kempower.com
