## **Kempower appoints Calle Loikkanen to lead Kempower's Investor Relations**

Kempower has appointed **Calle Loikkanen** (M.Sc. Economics) as its new Director of Investor Relations and M&A. He will be responsible for leading Kempower's investor relations activities and further developing the company's financial communication and engagement with capital markets. He will assume his role on 2 March 2026 and report to Chief Financial Officer Jukka Kainulainen.

Calle Loikkanen brings Kempower experience from more than 15 years in financial markets, equity research and investor relations. He joins Kempower from Danske Bank, where he worked as a Senior Equity Analyst covering leading Finnish listed companies. Prior to this, he held senior IR roles at Huhtamäki and Valmet, where he led global investor relations operations, financial communication, and roadshow activities.

*"We warmly welcome Calle to Kempower. His strong background in investor relations, combined with his hands-on experience in equity analysis and financial markets, will further strengthen our dialogue with investors and support Kempower's growth journey,"* says Jukka Kainulainen.

### **Kempower in brief**

We design and manufacture reliable and user-friendly DC fast-charging solutions for electric vehicles. Our vision is to create the world's most desired EV charging solutions for everyone, everywhere. Our product development and production are based in Finland and in the U.S., with the majority of our materials and components sourced locally. We focus on all areas of e-mobility, from electric cars, trucks, and buses to machines and marine. Our modular and scalable charging system and world-class software are designed by EV drivers for EV drivers, enabling the best user experience for our customers around the world. Kempower shares are listed on Nasdaq Helsinki Ltd. [kempower.com](http://kempower.com)
