Kempower Corporation, investor news, 2 February 2024 at 12.00 p.m. EET

Invitation to Kempower's webcast on Financial Statements Release 2023

Kempower will publish its Financial Statements Release for 2023 on Wednesday, February 14, 2024, around 9.30 a.m. EET.

Webcast for shareholders, analysts and media will take place on Wednesday, February 14, 2024, starting at 1.00 p.m. EET. In the webcast, Kempower's President and CEO Tomi Ristimäki and CFO Jukka Kainulainen will present the results and discuss current company topics. The event, including the Q&A session, will be held in English. However, participants can ask questions in English and Finnish via the event chat room. Participants will be able to access the event as unregistered users on the webcast platform <https://kempower.videosync.fi/q4-2023>.

Presentation material and webcast recording will be available later on the company's website at <https://investors.kempower.com/reports-materials/>.

About Kempower:

We design and manufacture reliable and user-friendly DC fast charging solutions for electric vehicles. Our vision is to create the world's most desired EV charging solutions for everyone, everywhere. Our product development and production are based in Finland and in the US, with a majority of our materials and components sourced locally. We focus on all areas of e-mobility, from electric cars, trucks, and buses to machines and marine. Our modular and scalable charging system and world-class software are designed by EV drivers for EV drivers, enabling the best user experience for our customers around the world. Kempower is listed in the Nasdaq First North Growth Market Finland. www.kempower.com
