Loihde Plc conducts a directed share issue to deliver the savings shares that are part of its Employee Share Savings Plan (ESSP)

Today, on 24 March 2026, Loihde Plc's Board of Directors has decided to issue a total of 6,584 new shares as part of the Group's Employee Share Savings Plan (ESSP).

On 29 April 2024, Loihde's Board of Directors decided to establish an ESSP for the employees of Loihde Plc and its subsidiaries. The ESSP gives employees the opportunity to save a portion of their salaries and invest those savings in Loihde's shares. The savings will be used to buy shares in Loihde four times a year. The main terms and conditions of the ESSP are described on Loihde's website at www.loihde.com/en/investors/governance/remuneration.

The new shares are savings shares subscribed for with the savings accumulated by ESSP participants between 1 December 2025 and 28 February 2026. The share subscription price is EUR 12,4650 per share, which corresponds to the volume-weighted average share price on Nasdaq First North Growth Market Finland during the time period from 1 to 28 February 2026.

The share issue is based on the authorisation granted by the Extraordinary General Meeting held on 4 December 2025. The new shares are estimated to be registered in the Trade Register on 8 April 2026, and trading in the new shares on Nasdaq First North Growth Market Finland, maintained by Nasdaq Helsinki Ltd, together with the old shares, is estimated to commence on 9 April 2026. As a result of the share issue, the total number of shares in Loihde Plc will increase to 5,771,246. The subscription price will be entered in full in the company's reserve for invested unrestricted equity.
