About Administer Oyj

Administer Group, founded in 1985, is a Finnish company that offers financial and payroll management services, consulting and software services, staffing and recruitment services as well as compliance and advisory services. Our customers include organisations of all sizes, from small and mid-sized companies to large enterprises and municipalities. Our goal is to reform the financial management service market by developing new technologies and solutions. Measured in revenue, we are one of the largest providers of financial management services and HR and payroll services in Finland. In 2022, our revenue was EUR 53 million and we employed over 700 professionals.
