About Pohjolan Voima Oyj

Pohjolan Voima is a long-lived Finnish energy company. We are one of Finland's largest energy producers – our production accounts for approximately 20% of the nation's total electricity production. The electricity we produce is almost completely carbon neutral. We produce electricity and heat at cost price for the needs of our owners – Finnish industrial and energy companies – with reliable and adjustable hydropower, thermal power and nuclear power that ensures security of supply. We are a team of top professionals and a proven good place to work. At Pohjolan Voima, we pride ourselves on doing meaningful work in line with our values, skilfully, reliably, together. As a responsible actor, we align security of supply, cost-efficiency and environmental impacts in our production. We are committed to the reduction of emissions and the improvement of biodiversity. Our objective is to create decisive power to strengthen competitiveness and contribute to a better tomorrow. www.pohjolanvoima.fi
