Scanfil plc   Investor news   16 January 2024 at 1.00 p.m.

### Invitation to Scanfil's Capital Markets Day 2024

Scanfil invites investors, analysts and media to a Capital Markets Day on Tuesday, 5 March 2024 from 12.30 p.m. CET until approximately 5.00 p.m. CET. The event is arranged both online and onsite. The live event venue is at WTC Stockholm, Klarabergsviadukten 70, 111 64 Stockholm, Sweden.

At the event, Scanfil's management will focus on the company's strategy and other topical issues. After each presentation, it is possible to ask questions verbally or in writing via chat.

The event will be recorded. Recordings and presentation materials will be available on Scanfil's website after the event. The event will be held in English.

Kindly register for the event at the latest by 1 March 2024: [www.scanfil.com/investors/cmd2024](https://www.scanfil.com/investors/cmd2024). The registration webpage includes preliminary program.

### Scanfil in brief

Scanfil is an international manufacturing partner and system supplier for the electronics industry with 45 years of experience in demanding manufacturing. Scanfil provides its customers with an extensive array of services, ranging from product design to product manufacturing, material procurement and logistics solutions. Vertically integrated production and a comprehensive supply chain are the foundation of Scanfil's competitive advantages: speed, flexibility and reliability.

Typical Scanfil products are modules or integrated products for e.g. self-service application, automation systems, wireless connectivity modules, climate control systems, collection and shorting systems, analysers and weather solutions. Scanfil services are used by numerous international automation, safety, energy, cleantech, connectivity and health service providers, as well as companies operating in the field of urbanisation. Scanfil's network of factories consists of 10 production units in Europe, Asia and North America. Read more: [www.scanfil.com](https://www.scanfil.com)
