About Scanfil Oyj

Scanfil plc is one of the biggest European electronics manufacturing services (EMS) companies. The company serves global sector leaders in Aerospace & Defense, Energy & Cleantech, Industrial, and Medtech & Life Science. The company's services include design services, prototype manufacturing, design for manufacturability (DFM) services, test development, supply chain and logistics services, circuit board assembly, manufacture of subsystems and components, and complex systems integration services. Scanfil's objective is to grow customer value by improving their competitiveness and by being their primary supply chain partner and long-term manufacturing partner internationally. Scanfil's longest-standing customer account has continued for more than 40 years. The company has global supply capabilities and 16 production facilities across four continents. www.scanfil.com
