About Eagle Filters Group Oyj

Eagle Filters Group is a material science company that aims to enable a green and healthy environment.

Eagle provides high performance filtration solutions that cut CO2 emissions and increase profitability of the energy industry. Eagle's technology improves performance and energy efficiency while cutting costs. The technology is being used by some of the world's largest energy utilities.

Eagle's advanced filtration media enables improved and reliable filtration efficiency with significantly reduced pressure loss, at a competitive cost. These proprietary materials provide opportunities to expand to several new filtration application areas, including HVAC, automotive as well as industrial filtration, providing further opportunities for improving performance and energy efficiency, as well as cutting CO2 emissions.

The company group is listed on First North Growth Market Finland under the ticker EAGLE and on First North Growth Market Stockholm under the ticker EAGLES.
