Company announcement, inside information  
22 September 2023, 20:00 (EET)

Based on the authorization granted by the Annual General Meeting of the Company on 29 June 2023, the Board of Directors of Eagle Filters Group Oyj ("Eagle Filters Group" or the "Company") have on 22 September 2023 resolved on a directed share issue of EUR 1.0 million to a group of private investors (the "Share Issue").

In the Share Issue, 14 285 712 new shares (the "Offer Shares") were offered. The subscription price in the Share Issue was set at EUR 0.07 per Offer Share and amounts to a total of EUR 1 000 000. The subscription price equals to a discount of 6.4% to the closing price of the Company's share on First North Growth Market Finland on 22 September 2023. The entire subscription price of the Offer Shares will be recorded in the Company's reserve for invested unrestricted equity. The reasons for the deviation from the shareholders' preemptive rights was to raise capital in a time and cost-effective manner.

The Offer Shares represent approximately 9.1% of the outstanding shares and votes in the Company after the Share Issue. Following the Share Issue, the number of issued and outstanding shares of the Company will be 156 583 570.
