IMPORTANT INFORMATION

Neither this release nor the information contained herein is for publication, distribution or release, in whole or in part, directly or indirectly, in or into the United States, Australia, Canada, Hong Kong, Japan, New Zealand, South Africa or Singapore or any other jurisdiction in which publication or distribution would be unlawful. The information contained herein does not constitute an offer of securities for sale in the United States, nor may the securities be offered or sold in the United States. Eagle Filters does not intend to register any portion of the offering in the United States under the U.S. Securities Act of 1933, as amended, or to offer securities to the public in the United States.

The issue, exercise and/or sale of securities are subject to specific legal or regulatory restrictions in certain jurisdictions. Eagle Filters or ACF assume no responsibility in the event there is a violation by any person of such restrictions.

The information contained herein shall not constitute an offer to sell or a solicitation of an offer to purchase or subscribe, nor shall there be any sale of the securities referred to herein in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration, exemption from registration or qualification under the securities laws of any such jurisdiction. Investors must neither accept any offer for, nor acquire, any securities to which this document refers, unless they do so on the basis of the information contained in the basic information document that Eagle Filters will publish.

Eagle Filters has not authorized any offer to the public of securities in the United Kingdom or in any Member State of the European Economic Area other than Finland. With respect to the United Kingdom and each Member State of the European Economic Area other than Finland and which applies the Prospectus Regulation (each, a "Relevant Member State"), no action has been undertaken or will be undertaken to make an offer to the public of securities requiring publication of a prospectus in any Relevant Member State. As a result, the securities may only be offered in Relevant Member States (a) to any legal entity, which fulfils the requirements of a qualified investor as defined in the Prospectus Regulation; or (b) in any other circumstances falling within Article 1(4) of the Prospectus Regulation. For the purposes of this paragraph, the expression an "offer of securities to the public" means a communication to persons in any form and by any means, presenting sufficient information on the terms of the offer and the securities to be offered, so as to enable an investor to decide to purchase or subscribe for those securities. The expression "Prospectus Regulation" means Regulation (EU) 2017/1129 of the European Parliament and of the Council, as amended.

This communication is directed only at (i) persons who are outside the United Kingdom or (ii) persons who have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order") and (iii) high net worth entities, and other persons to whom it may lawfully be communicated, falling within Article 49(2) of the Order (all such persons together being referred to as "Relevant Persons"). Any investment activity to which this communication relates will only be available to and will only be engaged with, Relevant Persons. Any person who is not a Relevant Person should not act or rely on this document or any of its contents.

Full terms and conditions for the contemplated Offering and the basic information document prepared by the Company for the Offering will be published in Finnish language on the website of Eagle Filters at eaglefiltersgroup.com.

An investor is advised to read the basic information document before making an investment decision to understand the risks and rewards associated with the investment.
