New shares of Eagle Filters Group are registered in the Finnish Trade Register

Eagle Filters Group Oyj (the "Company") has, as previously announced, completed a direct share issue (the "Offering") in which the purchase price debt of EUR 1 426 thousand, was converted to equity. The debt originates from the M&A transaction executed in 2021, in which the Company acquired the final 15% stake in Eagle Filters Oy from its founder Juha Kariluoto.

The 18,051,830 new shares of the Company (the "New Shares") subscribed in the Offering have been registered in the Trade Register maintained by the Finnish Patent and Registration Office today, 3 September 2026. As a result of the registration of the New Shares, the total number of shares issued by the Company is 291,690,294.

The New Shares entitle their holders to dividend and other distribution of funds, and to other shareholder rights in the Company from the date the New Shares are entered in the Company's shareholder register maintained by Euroclear Finland Ltd, on or about 3 September 2026. Trading in the New Shares is expected to commence on First North Growth Market Finland on or about 4 September 2026.
