Lamor in brief

Lamor is one of the world's leading providers of environmental solutions. For four decades, we have worked to clean up and prevent environmental incidents on land and at sea.

Environmental protection, soil remediation and material recycling: Our innovative technologies, services and tailored solutions, ranging from oil spill response, waste management and water treatment to soil remediation and plastic recycling, benefit customers and environments all over the world.

We are capable of vast and fast operations thanks to our connected ecosystem of local partners, steered by our experts. We have over 500 employees in more than 20 countries. In 2022, our turnover was 128 million euros. Lamor's share is listed on the Nasdaq First North Premier Growth Market Finland maintained by Nasdaq Helsinki (ticker: LAMOR).
