

Lauri Sipponen becomes Chair of the Board of Directors of Wulff Group Plc after Kari Juutilainen resigns from the position due to disqualification reasons

The Board of Directors of Wulff Group Plc has elected Lauri Sipponen as Chair of the Board, following Kari Juutilainen's resignation on September 4, 2025. Wulff has grown in recent years and expanded its operations into new service business areas. New openings could lead to situations where Juutilainen would be disqualified.

Wulff's main owner and Senior Advisor **Heikki Vienola**: "Wulff has grown from an office supplies company to an expert in working life and into new industries under Juutilainen's leadership and encouragement. His hunger for growth and appreciation for customer-oriented sales and humanistic leadership are also reflected in future results. Thank you for demanding development from us and taking Wulff forward."

Lauri Sipponen, who was elected Chair, has closely followed Wulff's development since 2020, when he started as a member of the company's Board of Directors. "It has been a pleasure to influence the company's development from a board role and to see how Wulff has grown and boldly renewed under Juutilainen's leadership. I am leading a well-functioning, goal-oriented and energetic company," Sipponen states.
